

# Cornerview CHAROLAIS

**11th ANNUAL BULL SALE**

**Saturday, March 28, 2026**

**1:30 p.m., *at the farm*,**

**1012 Snake River Line, Cobden, ON**

# Right Now Mineral® Onyx

Onyx mineral helps optimize herd performance for calving, breeding and stressful situations. It supports improved cleaning rates at calving, stronger signs of heat and improved breed back percentages.

Onyx is made with the highest quality of ingredients including Availa 4 from ZinPro Minerals

*If you are looking for our premium breeder mineral  
look to Right Now Onyx*

**Now available with Altosid® IGR Fly Control**

Altosid is ingested in the Right Now Mineral. As they graze, cattle disperse the insect growth regulator via their manure, breaking the fly life cycle in the manure preventing adult flies from emerging.

**Cargill™** **Purina®**

2021 Cargill Limited. All Rights Reserved. Right Now Mineral and the cow head design are registered trademarks of Wellmark International. Always read and follow label directions.

## **11th Annual Bull Sale**

### **Saturday, March 28, 2026**

#### **Welcome to the 2026 Cornerview Charolais Bull Sale**

We would like to thank you for your interest in our program and taking the time to review this year's offering. We are proud to present our 11th annual sale and truly appreciate the continued support from our customers and fellow cattlemen.

The beef industry is stronger than it has ever been, and with that strength comes opportunity. Now more than ever, it is important to focus on quality genetics that will improve efficiency, performance, and long-term profitability. The bulls offered in this sale reflect our commitment to producing functional, sound, and high-performing Charolais cattle that are built to work in real-world commercial and seedstock operations.

Each bull in this offering has been carefully selected with an emphasis on structure, disposition, growth, and maternal value. Our goal is to provide genetics you can trust — bulls that will go to work for you and add value to your herd for years to come.

Whether you are a returning customer or considering Cornerview genetics for the first time, we welcome your interest and invite you to visit with us before or on sale day. Please feel free to ask questions or request additional information — we are always glad to visit about the cattle.

We look forward to seeing you sale day and wish you the very best in your selections.

**Sincerely,**  
**Cornerview Charolais**

## Sale terms

- Bulls sell under the standard terms and conditions set out by the Canadian Charolais Association.
- Please make all settlements immediately after the sale.

## Bull health

- All bulls will sell with a vet examination and semen test to ensure that you are purchasing a quality herd bull.
- Additional performance data will be available on sale day.
- The Cornerview vaccination program is Pyramid 5 plus Presponse live vaccine and bulls will receive Blackleg + HS booster at sale time.

## January 2026 breed average EPDs

BW	WW	YW	M	MTL
0.3	60.7	111.6	22.7	53

## Announcements

- Announcements made from the auction block will take precedence over printed matter in the catalogue.

## Delivery

- Please talk to us if you require delivery after the sale. Shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.
- We will keep bulls until May 1 free of charge. We are not liable for the bulls after the sale and ask that you insure any bull remaining at the farm.
